

TOWN OF WILMINGTON
DEPARTMENT OF PUBLIC WORKS

Notice of Vegetation Management Control Operations

The Town of Wilmington will be selectively spraying herbicides along roadsides within Town owned Rights of Way, pursuant to 333 CMR 11.05-11.07 Rights of Way Management, as defined in the Town's five-year Vegetation Management Plan (VMP) for 2020-2024 and Yearly Operations Plan (YOP) for 2023. This treatment is conducted as a component of an integrated vegetation management program which also utilizes mechanical and natural control techniques to control roadside weeds and invasive vegetation.

Foliar treatments and cut stump applications using herbicides approved for use near sensitive areas will take place between June 1, 2023 and October 21, 2023. The exact time is dependent upon weather conditions and field crew availability. Treatments will be made by Wilmington DPW licensed / certified applicators using the herbicides listed in the Yearly Operations Plan, as referenced on the Wilmington DPW's Tree Division / Vegetation Management website at http://wilmingtonma.gov/Pages/WilmingtonMA_PublicWorks/tree.

Technical questions related to the treatment program, VMP, or YOP may be directed to DPW Director Jamie Magaldi at 978-658-4481, 121 Glen Road, Wilmington, MA 01887.
