The 2025 Mike Capasso Memorial Scholarship

Higher education is one of the most valuable investments a young person can make—but it's also one of the most expensive. At the Mike Capasso Foundation, we believe no student should be held back from reaching their full potential because of financial barriers.

While our Foundation has long supported young athletes, this scholarship is open to *all* students, regardless of athletic background. Whether you're a leader in your school, a volunteer in your community, or someone who simply shows up for others—you matter here.

This scholarship honors the legacy of Mike Capasso—a father, coach, mentor, and friend—whose generosity, compassion, and unwavering support for others continue to inspire everything we do.

We believe that helping others isn't just a kind gesture—it's a way of life that leaves a lasting impact. We want to hear from students who carry that same spirit.

To apply for the 2025 Mike Capasso Memorial Scholarship, please submit an original essay answering:

❖ ***“What does legacy mean to you? How do you hope to be remembered by the people around you?”***

Scholarships will be awarded based on the sincerity, creativity, and strength of your essay, as well as how well you embody our mission of giving back and lifting others up.

Application Details:

- Submit your essay to: mikecapassofoundation@gmail.com
- Deadline: July 1st, 2025
